Education

University of Pennsylvania

Aug 2025 - June 2027 (expected)

M.S.Ed in Interdisciplinary Studies in Human Development | GPA:3.96/4 | Advisor: Dr. Xinyin Chen

Concentration: Applied Development and Counseling Skills

Research Area: Peer Relationship, Children's Socioemotional Development and Adjustment, Risk and Resilience

Zhejiang University of Technology (ZJUT), China

Sep 2021- Jun 2025

B.S. in Applied Psychology | GPA:3.84/4 (Rank 3/48) | Advisor: Dr. Yulong Tang & Shuyi Zhai

Relevant Coursework: Educational Psychology, Developmental Psychology, Educational and Psychological Statistics, Psychological and Educational Assessment, Experimental Psychology, Python Programming

Thesis: The Characteristics and Development of Children's Gossip: A Study Based on Large Language Models

University of California, Berkeley

Jan 2024 – Jun 2024

Berkeley Global Access Visiting Student Program | GPA: 3.63/4

Course: Neuroethology: complex animal behaviors and brains, Leadership & Social change

Scholarships, Awards, and Grants

Professional Student Travel Grant (\$480, Summer Semester), University of Pennsylvania	2026
Professional Student Travel Grant (\$600, Spring Semester), University of Pennsylvania	2026
GSE Student Government Scholarships (\$400, Spring Semester), University of Pennsylvania	2026
Suzanne McGraw Scholarship (\$4200), University of Pennsylvania	2025
Outstanding graduate, Zhejiang University of Technology	2025
Outstanding student Study Abroad Grants (\$12,000), Zhejiang University of Technology	2024
Outstanding Project Member (top 20%) in Summer Research Program, Maxer Institute at Cambridge Colleges	2023
The Second Prize Scholarship for Outstanding Student (Top 10%, ¥2,500), Zhejiang University of Technology	2023
Zhejiang Provincial Government Scholarship (Top 5%, ¥6,000), Zhejiang Provincial Department of Education	2022
The First Prize Scholarship for Outstanding Student (Top 5%, ¥5,000), Zhejiang University of Technology.	2022

Manuscripts *(Feel free to contact me for more information)*

Manuscripts Under Review

I have a manuscript on shyness and peer preference under review. A second manuscript examining children's gossip using an LLM-assisted program is also under review.

Manuscripts in Preparation

I am preparing a manuscript on a cross-age study of shyness and peer preference. I am also preparing a mixed-methods manuscript on Chinese American adolescents' stress and support during the college application season, as well as a manuscript on a school-based intervention.

Conference Presentations

Paper and Symposium Presentations

- Wu, J.,** Chen, Y., Zhai, S. (Sep, 2026). Adaptation Risks of Shy Adolescents: The Moderating Role of Friendship Relationship Patterns. Symposium presentation presented at the 2026 Academic Annual Conference of the Personality Psychology Professional Committee of the Chinese Psychological Society, Xi 'an, China.
- Wu, J.,** Zhai, S. (Nov, 2025). Generalized but Not Fixed: Chinese Children's Preference for Unshy Peers. Symposium presentation presented at the 25th Occasional Temperament Conference (OTC), College Station, US.
- Wu, J.,** Deng, S., Yang, C-C. (May, 2026) How Chinese American Adolescents Navigate Academic Stress and Peer Relationships: A Mixed-Methods Longitudinal Study, presented at the Supporting Dual Language Learners and Children of Immigrant Families 2026 Annual Research Conference, Berkeley, US.

Poster Presentations

- Wu, J.,** Chen, Y., Zhai, S. (Jun, 2026). Low Preference for Shy Peers in China: Increasing Context Sensitivity from Preschool to Adolescence, Poster to be presented at the 28th Biennial Meeting of the International Society for the Study of Behavioral Development (ISSBD), Incheon, South Korea.
- Wu, J.,** Tang, Y. (Apr, 2026). Understanding Children's Gossip from Daily Talk Using an LLM-assisted Framework, Poster presented at the 2026 Cognitive Development Society (CDS) Meeting, Montréal, Canada.
- Wu, J.,** Deng, S., Yang, C-C. (Feb, 2026) How Chinese American Adolescents Navigate Academic Stress and Peer Relationships, Poster presented at the 2026 National Association of School Psychologists (NASP) Convention, Chicago, US.
- Wu, J.,** Pan, J. (Jun, 2024). The Effect of Emotional Regulation Self-efficacy on the Working Memory of College Students. Poster presented at the Summer Undergraduate Research Education Program Conference, University of Georgia, Live Virtual Presentation

Research Experience

Children's Socioemotional Development and Adjustment Philadelphia, US
Graduate Assistant, Advisor: Xinyin Chen, University of Pennsylvania Aug 2025 – Present

- Processed and organized over 5000 cases of peer nomination and school adjustment data, including data cleaning and entry into SPSS for subsequent social network and group dynamics analyses.
- Conducted observational coding of children's socioemotional behaviors and traits (e.g., toy aggression, polite behavior, positive emotion) during free play sessions and self-presentation sessions using a behavioral coding scheme; contributed to ongoing refinement of coding categories based on empirical data and discussions.
- Conducted literature review about children's socioemotional development for manuscripts.

Shyness, Peer Preference, Cognitive Peer Network, and School Adjustment Hybrid
Project Coordinator& Author, Advisor: Shuyi Zhai, Institute of Applied Psychology, ZJUT Dec 2023-Present

- Developed research proposals and IRB protocols and drafted manuscripts for projects involving kindergarten, primary school, middle school, and college students.
- Conducted latent profile analysis, regression analyses, generalized estimating equation analyses, and structural equation modeling using Mplus and R.
- Designed vignette-based tasks assessing peer preferences, friendship choices, and cognitive representations of peer networks for both in-person and web-based studies.

- Developed parent-report surveys incorporating the CBQ, PSI/SF, and researcher-developed items on attitudes toward shyness; prepared over 300 temperament reports for parents and schools.
- Adapted experimental tasks into questionnaire formats and designed questionnaires assessing self-reported shyness, peer preferences, peer relationships, and school adjustment among primary school, middle school, and college students.
- Recruited and trained research assistants for assessments and literature reviews.

School-Based Intervention Using Possibility Mentoring Framework

Philadelphia, US

Research Assistant, Advisor: Michael J. Nakkula, University of Pennsylvania

Oct 2025 – Present

- Conducted qualitative thematic analysis on mentor's action memo on weekly school intervention projects.
- Conducted interviews with mentors and transcript coding for qualitative research projects.
- Conducted literature reviews and manuscript writing on youth mentoring and human development.
- Contributed to curriculum and activity design for the middle school adolescent mentor program.

Chinese American Adolescent Stress, Support System, and Sleep

Berkeley, US

Research Assistant, Supervisor: Sarah Yang, UC Berkeley.

April 2024-Present

- Led qualitative research and authored in manuscripts about Chinese American Adolescents' stress during the college application seasons and supports they received from peer, family, and school.
- Conducted adolescent interviews, IRB writing, Survey design, and Questionnaire translation.
- Contribute to data cleaning, transcript checking, and thematic analysis for adolescent interview data.

Emotional Development Across Lifespan

Virtual

Statistic Research Assistant, Life-span Development Lab (Director: Laura L. Carstensen), Stanford University Jun 2024–Nov 2025

- Conducted Multilevel Regression, Data visualization, Linear model analysis on R; Conducted R script checking, and organization for OSF pre-registration and journal publications.
- Conducted literature review and manuscript checking on the topic of socioemotional development and prosocial behavior.
- Conducted Qualtrics design and slide report for prosocial behavior projects.

Children's Social Cognition Development and Large Language Model

Hangzhou, China

Project Coordinator& Author, PI: Yulong Tang, Institute of Applied Psychology, ZJUT

Sep 2022-Sep 2025

- Drafted, revised, or contributed to over 3 research manuscripts in Children's social cognition development.
- Developed LLM-based (Qwen-Plus, Qwq, etc.) Python programs for children's gossip behavior analysis in daily talk and the CHILDES corpus. Conducted literature review, research design, data collection and analysis.
- Recruited, trained, and managed undergraduate research assistants to support lab activities.
- Established outreach partnerships with kindergartens, conducted document translations for international communications.

Bilingualism and Socioemotional Development in Children

Berkeley, US

Research Assistant, Family and Culture Lab (Director: Qing Zhou), UC Berkeley

May 2024 – May 2025

- Conducted data entry and data management for the project LEAD (Language, Emotions, and Development): Reviewed over 260 questionnaires, hardcopy and Qualtrics, which involved over 170 parents. Reported over 100 and fixed over 70 key data issues. Discussed data issues and solutions on weekly team meetings.
- Conducting Qualtrics questionnaire designs on Children Language Development Project.

Teaching Experience

Graduate School of Education, University of Pennsylvania

Philadelphia, US

Teaching Assistant, EDUC 8560 Interdisciplinary Studies of Human Development Proseminar

Fall 2026

- Assisted instructor with a variety of administrative tasks, including preparing course materials in Canvas, facilitating discussion sections or lab sessions, clarifying course concepts, helping students work through problem sets or projects, and communicating updates to students.

School and Applied Experience

Liandu Foreign Language School (Baiyun Primary School)

Lishui, China

Intern, Mental Health Class Teacher (SEL)

Jun 2026

- Conducted socioemotional learning class for the whole 4th grade.
- Conducted survey research about children's personality and school adjustment
- Wrote classroom report and suggestions for grade director

Beijing Duguo Psychological Counseling Co., LTD

Beijing, China

Intern, Youth Mentor

Aug 2025- Present

- Assisted in organizing and facilitating a summer rehabilitation camp for adolescents with depression.
- Designed and delivered mental health education workshops and group therapy sessions tailored to teens.
- Communicated with parents of participating adolescents, offering guidance and emotional support.

Lishui Happy Valley Youth Resilience Summer Camp

Lishui, China

Intern, Youth Coach

Jun 2021-Present

- Conducted youth mentorship and coaching in leadership building, learning strategy, and time management.
- Served as a teaching assistant and real-time translator for on-site English Summer courses.
- Assisted in Parent workshops on Positive Discipline and Parent Effectiveness Training

Penn Children's Center, University of Pennsylvania

Philadelphia, US

Intern, Teaching Assistant in Preschool Classroom

Sep 2025 – Dec 2025

- Assisted the teachers in daily teaching and activities.
- Study and observe children's socioemotional development, conflict resolution, and child assessment.

University Mental Health Center, ZJUT

Hangzhou, China

Intern, Student Leader of the Mental Health Email Team

Jun 2023-Jun 2024

- Led a team of 18, to respond over 70 mental health inquiries via email under the supervision.
- Organized 20 weekly reading seminars and 3 campus events to enhance awareness of mental health issues.

Oxford Elementary School

Berkeley, US

Volunteer, Assistant in Special Education Program

Mar 2024-Jun 2024

- Assisted over 5 children with ASD/ADHD in classroom learning, outdoor activities, and behavior guidance.
- Assisted 3 classes (over 60 students) with homework tutoring, recess monitoring, and classroom management.

Hangzhou 7th People's Hospital (Affiliated Mental Health Center, Zhejiang University)

Hangzhou, China

Intern, Clinical Trainee

Jul 2023-Aug 2023

- Attended daily clinical medical rounds, assisted with rehabilitation training for children diagnosed with ADHD.
- Observed outpatient consultations in the Child Psychiatry Department every week.

Research and Technical Skills

Research Skills: Child Assessment, Interviews, Data management, Literature Review, EEG, Qualtrics design.

Data Analysis: SPSS, E-prime, Mplus, MATLAB, R Studio.

Other Computer Skills: LLM-Based Program Development, Python, MS Office, Website Development & Design

Language: Chinese Mandarin (Native), English (Proficient, IELTS: 7.5)

Certifications: CITI certification (Group 2)

Professional Memberships

Society for Research in Child Development (SRCD), Student Member

American Psychological Association (APA), Student Member

National Association of School Psychologists (NASP), Student Member

International Society for the Study of Behavioral Development (ISSBD), Student Member

Cognitive Development Society (CDS), Student Member
