Education

University of Pennsylvania

Aug 2025 - May 2027 (expected)

M.S.Ed in Interdisciplinary Studies in Human Development | GPA:3.93/4 | Advisor: Dr. Xinyin Chen

Program Track: Applied Development and Counseling Skills Concentration; Early Childhood Education and Family Studies Academic Certificate

Research Area: Children's Socioemotional Development and Adjustment, Risk and Resilience, Parenting

Zhejiang University of Technology (ZJUT)

Sep 2021- Jun 2025

B.S. in Applied Psychology | GPA:3.84/4 (Rank 3/48) | Average Grade: 89.3/100

Relevant Coursework: Educational Psychology, Developmental Psychology, Educational and Psychological Statistics, Psychological and Educational Assessment, Experimental Psychology, Python Programming

Thesis: The Characteristics and Development of Children's Gossip: A Study Based on Large Language Models

University of California, Berkeley

Spring 2024

Berkeley Global Access Visiting Student Program | GPA: 3.63/4

Course: Neuroethology: complex animal behaviors and brains, Leadership & Social change, Leadership Communication

Scholarships and Awards

- ◆ **Suzanne McGraw Scholarship(\$4200)**, University of Pennsylvania 2025
- ◆ **Outstanding graduate**, Zhejiang University of Technology 2025
- ◆ **Outstanding student Study Aboard Grants (\$12000)**, Zhejiang University of Technology 2024
- ◆ **Outstanding Project Member (top 20%)** in Summer Research Program, Maxer Institute at Cambridge Colleges 2023
- ◆ **The Second Prize Scholarship for Outstanding Student (Top 10%, ¥2500)**, Zhejiang University of Technology 2023
- ◆ **Zhejiang Provincial Government Scholarship (Top 5%, ¥6000)**, Zhejiang Provincial Department of Education 2022
- ◆ **The First Prize Scholarship for Outstanding Student (Top 5%, ¥5000)**, Zhejiang University of Technology 2022

Research Experiences

Children's Socioemotional Development and Adjustment

Philadelphia, US

Graduate Assistant, Advisor: Xinyin Chen, University of Pennsylvania

Aug 2025 – Present

- ◆ Conducted observational coding of children's socioemotional behaviors and traits (e.g., toy aggression, polite behavior, positive emotion) during free play sessions using a validated behavioral coding scheme; contributed to ongoing refinement of coding categories based on empirical data and discussions.
- ◆ Processed and organized peer nomination data from the Social Cognitive Mapping (SCM) procedure, including data cleaning and entry into SPSS for subsequent social network and group dynamics analyses.
- ◆ Attended weekly research lab meetings and contributed to ongoing projects

Possibility Mentoring Program

Philadelphia, US

Research Assistant, Advisor: Michael J. Nakkula, University of Pennsylvania

Oct 2025 – Present

- ◆ Conducted literature reviews on youth mentoring and human development.
- ◆ Contributed to the interview and manuscript writing on the possibility mentoring research program.
- ◆ Contributed to curriculum and activity design for the middle school adolescent mentor program.

Chinese Children's Perception of Shyness, Peer Preference, and Cultural Orientation

Hangzhou, China

Project Coordinator & Author, Advisor: Shuyi Zhai, Institute of Applied Psychology, ZJUT

Dec 2023-Present

- ◆ Authored the research proposal, IRB, and manuscripts for the projects in kindergartens and middle schools.
- ◆ Conducted regression analysis, Generalized Estimating Equations, and Structured Equation Models analysis for over 140 sets of experimental data with R.
- ◆ Designed child experiments; Developed parent-report survey with CBQ, PSI/SF, and self-developed questions

about attitude towards shyness; Wrote and sent out over 100 temperament reports for parents.

- ◆ Revised the child experiment for questionnaire version, and designed the middle school questionnaire for self-shyness, cultural orientation, and peer relationships.
- ◆ Recruited and trained research assistants for child assessments and literature reviews.

Chinese American Adolescent Stress and Sleep Project

Berkeley, US

Research Assistant, Supervisor: Sarah Yang, School of Education, UC Berkeley.

April 2024-Present

- ◆ Conducting adolescent interviews, IRB writing, Survey design, and Questionnaire translation.
- ◆ Contributing to data cleaning, transcript checking, and message tagging for adolescent interview data.
- ◆ Led qualitative research and authored a poster presentation at the 2026 National Association of School Psychologists Convention

Bilingualism and Socioemotional Development in Children

Berkeley, US

Research Assistant, Family and Culture Lab (Director: Qing Zhou), UC Berkeley

May 2024 – May 2025

- ◆ Conducted data entry and data management for the project LEAD (Language, Emotions, and Development): Reviewed over 260 questionnaires, hardcopy and Qualtrics, which involved over 170 parents. Reported over 100 and fixed over 70 key data issues. Discussed data issues and solutions on weekly team meetings.
- ◆ Conducting Qualtrics questionnaire designs on Children Language Development Project.

Children's Social Cognition Study and Large Language Model

Hangzhou, China

Project Coordinator & Author, PI: Yulong Tang, Institute of Applied Psychology, ZJUT

Sep 2022-Sep 2025

- ◆ Drafted, revised, or contributed to over 3 research manuscripts in Children's social cognition development.
- ◆ Developed LLM-based (Qwen-Plus, Qwq, etc.) Python programs for children's gossip behavior analysis in daily talk and the CHILDES corpus. Conducted literature review, research design, data collection and analysis.
- ◆ Recruited, trained, and managed undergraduate research assistants to support lab activities.
- ◆ Established outreach partnerships with kindergartens, conducted document translations for international communications.

Emotional Development Across Lifespan

Virtual

Research Assistant, Director: Laura L. Carstensen, Life-span Development Laboratory, Stanford University

Jun 2024 – Nov 2025

- ◆ Conducted Multilevel Regression, Data visualization, Linear model analysis on R; Conducted R script checking, and organization for OSF pre-registration and journal publications.
- ◆ Conducted literature review and manuscript checking on the topic of socioemotional development, prosocial behavior.
- ◆ Conducting Qualtrics design and slide report for Charitable Donation Behavior Projects.
